OUR HISTORY

Orchestra Omaha, Omaha's community orchestra, was founded in 1998 by a group of musicians from Omaha. We are recognized as a not-for-profit organization by the State of Nebraska and the Internal Revenue Service. Orchestra Omaha is also funded in part by grants from the Nebraska Arts Council. The 2017-18 year marks our nineteenth season of concerts.

The Rev. Steven M. Grant served as Music Director and Conductor of the Omaha Municipal Orchestra from 1998-2001. Following Rev. Grant's departure, Dr. Christopher Stanichar stepped in as Music Director and Conductor for the 2002-2005 seasons. During the 2005-06 season, the orchestra was conducted by a series of guests. The name of our ensemble was officially changed to Orchestra Omaha at the conclusion of the 2005-06 season, at which time Dr. Kenneth Meints was selected as the orchestra's third Music Director and Conductor.

OUR MISSION

Our mission is to provide greater Omaha area musicians with opportunities to perform in a symphony orchestra while offering the community an artistically engaging experience. We are committed to:

- Giving the community an opportunity to enjoy a symphony orchestra concert in a convenient and casual atmosphere.
- Providing area music professionals with the opportunity of solo performance with orchestral accompaniment.
- Enhancing the educational experiences of music students through audition and performance opportunities.

OUR CORE PRINCIPLES

A community orchestra is a collection of diverse individuals. We all have different reasons for getting involved and we come with different gifts and skill levels. Yet there are certain things that we have in common that unify our efforts and define the character of our ensemble. We can summarize our core principles using the following ten statements:

- We believe that the performing arts are essential to building a high quality of life for individuals and communities.
- We believe that all performing groups in the Omaha area should be valued for what each one contributes to the total musical climate of our community rather than be in competition.
- We believe that amateur musicians are a valuable asset to the musical life of any community.
- We believe that the concerts offered should be of musical interest, supportive of local artists, and enjoyable to the public.
- We believe that rehearsal and concerts should be inspiring, edifying and meaningful for the participants.
- We believe that each musician should manifest musical integrity and strive for continuous growth and self-improvement.
- We believe that mutual respect and camaraderie should permeate every aspect of orchestral activity.
- We believe that the significance of the arts justifies a commitment to excellence in performance and administrative procedures.
- We believe that each section of the orchestra should be chaired by persons with both experience and leadership gifts.
- We believe that a passion for music and the pursuit of a high standard of performance will be present in all participants.

YOUNG ARTISTS COMPETITION

The Orchestra Omaha Young Artists Competition was established during the 2006-07 season. It exists for the purpose of 1) providing talented young musicians with an opportunity to audition before and receive critical feedback from professional musicians; 2) providing exceptionally talented young musicians with the opportunity to perform as a soloist with a symphony orchestra and professional conductor; 3) furthering the overall musical development of young musicians in Nebraska and western Iowa. This competition also provides the community with an opportunity to see and hear some of the region's up and coming talented artists.
